Letter of confirmation of attendance to the DAAD Workshop “Forests in climate change research and policy: The role of forest management and conservation in a complex international setting”

Dear Ms. Henao Ramirez,

this is to confirm your complete attendance by invitation to the workshop “Forests in climate change research and policy: The role of forest management and conservation in a complex international setting”.

This workshop was organized by the Faculty of Forest Sciences and Forest Ecology, Chair of Forest Inventory and Remote Sensing, at Georg-August-Universität Göttingen, Germany, and received funding from the German Academic Exchange Service DAAD.

Workshop attendance comprised

- two preparatory seminars in Göttingen, implemented through video-conferences at 21.10.2010 on “REDD Monitoring in Indonesia” (Prof. Dr. Florian Siegert, LMU, Munich) and at 12.11.2010 on “REDD and IPCC basics” (Dr. Timm Tennigkeit, UNIQUE, Freiburg);
- participation in the workshop in Cancún, México, 02.-09.12.2010;
- participation in Forest Day 4, an international congress on forests and climate;
- writing a full paper for the Workshop Proceedings in a team of authors about a relevant topic of own choice; and
- writing minutes on technical sessions of the workshop and/or of Forest Day 4.

Prof. Dr. Christoph Kleinn
Head, Chair of Forest Inventory and Remote Sensing
Dean, Faculty of Forest Sciences and Forest Ecology
