- 1 Nutritional status of end stage renal failure patients with chronic dialysis program.
KONAS PERKENI, Semarang, 1998
- 2 *Incidence of Autonomic Cardiac nephropathy and Its relationship with duration of diabetes mellitus.*
KONAS PERNEFRI ke-7, Yogyakarta, November 1999
- 3 *Management of Acute Myocardial Infarction in Hasan Sadikin and St. Borromeus Hospital, Bandung.*
The 13th Asian Congress of Cardiology Singapore, Juni 2000
- 6 *Pharmacokinetics of Higher dose of Rifampicin in Pulmonary Tuberculosis Patients.*
The 3rd Scientific Respiratory Meeting, Jakarta, Februari, 2005
- 7 *Adherence to anti-tuberculosis drug in Pulmonary TB patients.*
The 11th Open Science Meeting, Yogyakarta, November 2005
- 8 *Safety and Efficacy of Higher dose of Rifampicin in Pulmonary Tuberculosis Patients.*
The 1st Uniting Stream. Wageningen, The Netherlands, Juni 2006
- 9 *Pharmacokinetics of antituberculosis drugs in pulmonary tuberculosis patients with type 2 diabetes.*
The 2nd International Workshop on Clinical Pharmacology of Tuberculosis Drugs, San Francisco, USA, September, 2009
- 10 *Clinical Pharmacology of anti-tuberculosis treatment in Indonesian.*
The PK/PD_{ia} workshop, Bangkok, Desember 2009
- 11 *Pharmacokinetics of anti-tuberculosis drugs in Indonesian patients.*
Parade Penelitian TB II, Bandung, April 2010
- 12 Peranan pemahaman farmakokinetik obat anti tuberkulosis terhadap pengobatan dan pengontrolan tuberkulosis.
KONAS TB II, Jakarta, Maret, 2011
- 13 *Pharmacokinetics and safety of high dose of rifampicin and moxifloxacin for tuberculosis meningitis: a preliminary results from a RCT in Indonesia.*
The 4th International workshop on Clinical Pharmacology of Tuberculosis Drugs, Chicago, USA, 16 September 2011
- 14 *Intensified antibiotic treatment for TB meningitis; a randomized controlled trial.*
The 4th Otago International Health Research Network. Dunedin, New Zealand, 7-8 November 2012
- 15 *Intensified antibiotic treatment for TB meningitis; a randomized controlled trial.*
The 43rd The Union World Conference of Lung Health, Kuala Lumpur, Malaysia, 13-17 November 2012

- 16 *Intensified regimen containing rifampicin and moxifloxacin for tuberculosis meningitis: drug concentrations in relations to mortality.*
The 6th International workshop on Clinical Pharmacology of Tuberculosis drugs, Denver, USA, 8 September 2013.
- 17 *Innovative PK/PD approaches to optimize tuberculosis meningitis treatment in children: use of modeling to design confirmatory pediatric clinical trial.*
The 6th International workshop on Clinical Pharmacology of Tuberculosis drugs, Denver, USA, 8 September 2013.
- 18 *TANDEM: field studies on TB and diabetes mellitus in Peru, South Africa, Romania and Indonesia.*
The 45th The Union Conference, Barcelona 28-30 Oktober 2014
- 19 *TB drugs development: what Is in the pipeline?*
Parade TB Nasional, Jakarta, Maret 2015

POSTER PRESENTATION

- 1 *Cardiac function and peripheral circulatory system changes in hyperthyroidism after anti-thyroid treatment.*
The 11th Asean Federation of Endocrine Societies Congress, Bali, November 2001
- 2 *Radionuclide Ventriculography in the Assessment of cardiac function in hyperthyroidism before and after anti-thyroid treatment.*
International Symposium on Cardiovascular Nuclear Medicine, Beijing, Mei 2002
- 3 *Tuberculosis and Diabetes: Clinical and Pharmacological Aspect.*
The 12th Open Science Meeting, Bali, November 2007
- 4 *Comparison of Higher vs. Standard Dose of Rifampicin in Pulmonary Tuberculosis Patients.*
IUATLD-APR - 1st Asia Pacific Region Conference 2007, Agustus 2007
- 5 *Comparison of oral versus intravenous rifampicin in Indonesian pulmonary tuberculosis patients.*
The 1st International Workshop on Clinical Pharmacology of Tuberculosis drugs, Toronto, Canada, Mei 2008
- 6 *Implikasi pertumbuhan global diabetes mellitus terhadap pengobatan dan pengontrolan Tuberkulosis.*
KONAS TB II, Jakarta, Maret 2011
- 7 *Evaluation of protein-unbound, active concentrations of rifampicin in Indonesian tuberculosis patients.*
The 42nd The Union World Conference of Lung Health, Lille, France, 26-30 Oktober 2011
- 8 *Treating Diabetes in Tuberculosis; Experience with Metformin and Insulin in the Tandem Program.*

The 47th The Union World Conference of Lung Health. Liverpool, UK, 26-29 Oktober 2016

- 9 *Pharmacokinetics of isoniazid and the effect of acetylator status in Indonesian tuberculous meningitis patients.*

The 10th International Workshop of Tuberculosis Drugs. Atlanta, USA. 15 Oktober, 2017
