

# Certificate of Participation

IS AWARDED TO

# Evelyn Rondon Jara

*The delegate above participated in the Sustainability Research & Innovation 2023 (SRI2023) Congress held virtually and in person from 26-30 June 2023 in Panama City, Panama.*

*SRI2023 convened over 1600 global experts in sustainability research and innovation to share the latest breakthroughs, build the capacity and capability of the professional sustainability community, foster solutions- and action-oriented dialogue between disciplines and sectors, and provide an interactive space for new collaboration and partnerships.*

**Veera Mitzner**

*Director*

*Sustainability Research and Innovation Congress*
