Workshop on
Spectroscopy and Dynamics of
Photoinduced Electronic Excitations

8 - 12 May 2017

TO WHOM IT MAY CONCERN

This is to certify that

Wala Fatheirahman Ibrahim Elsayed

has presented a poster entitled

Quasi-particle and Optical Properties of Hydrogen Titanate

at the Poster Session held during the Workshop on Spectroscopy and Dynamics of Photoinduced Electronic Excitations held at ICTP, Trieste, Italy, from 8 to 12 May 2017.
