Title: Application of multi-element soil geochemistry and particulate gold exploration in the Kambele plain, Batouri gold district, southeast Cameroon

Author(s): Mary Ewokolo Molua Etutu, George Teke Mafany, Cheo Emmanuel Suh

Dear Mary Ewokolo Molua Etutu,

It gives us pleasure to inform you that the Scientific Committee has accepted your above referenced paper to be presented as an oral communication at the 2nd Conference of the Arabian Journal of Geosciences (CAJG 2019) which will be held in Sousse, Tunisia from 25 to 28 November 2019.

Please be informed that your paper won't be published in the conference proceedings by Springer and scheduled in the final conference program unless at least one of the authors registers and attends the conference.

On behalf of the Scientific Committee, we would like to thank you for your submission and we warmly invite you to attend the CAJG 2019. The conference is confirming its global relevance and international impact. More than 700 papers have been received from 70 different countries worldwide. The conference will gather influential scholars from all over the world and top scientists have already confirmed their attendance.

Please consult our website (www.cajg.org) on a regular basis for more details.

And, if you are interested to take part on the field trips, you can get more details on "Highlights" at the conference website. If you are interested, we suggest you register as soon as possible since some field trips fill up fast.

We look forward to seeing you in Sousse, Tunisia.

With best regards,

Prof. Dr. Abdullah M. Al-Amri

General Chairman CAJG 2019
